SUMMARY

Highly motivated, I enjoy learning new things, apply them effectively. I can collaborate effectively and manage time, ensuring deadlines are met consistently.

PROJECTS

SJ Connect

A Senior-Junior interacting website where the juniors can anonymously ask their doubts and seniors can answer them anonymously. There are multiple sections in this website like announcements where juniors can encounter the internship opportunities, senior experiences where the seniors can share their story and juniors can like/ dislike it and there are different kinds of communities are there to join & follow their passion.
